

International symposium

Portugal – Brazil – Luxembourg. Old and new connections

15th and 16th November 2022

Université du Luxembourg, Campus Belval

Together with the Institute for History, MIS will hold an international symposium that brings together scholars from different disciplines in order to discuss historical and contemporary relations and movements between Portugal, Brazil and other parts of the Lusophone world and Luxembourg.

Participants will come, i.a., from the **Universidade Federal do Pará**, the **Instituto Universitário de Lisboa** and the **Universidade de Lisboa**.

The detailed program will come soon.
